

Class 1: Mrs Shaw

Week Beginning: 30th March 202

Maths

<https://whiterosemaths.com/homelearning/> Watch the online videos 1 per day all about weight and capacity

Suggested Activities:

- Look around your house – find two objects. Which is heavier? Which is lighter? Say the sentence ‘The _____ is heavier than the _____’. ‘The _____ is lighter than the _____’.
- Bake Bake Bake – Cook lots and encourage children to weigh each ingredient carefully.
- Water Play – with a selection of different containers – use language empty, almost empty, full, almost full
- Water Play – how many cups of water does it take to fill a saucepan

English

Listen to Mrs Shaw reading ‘The Dinosaur Who Pooped The Bed’ – shared on our Class Story Page

Suggested Activities:

- Draw a picture of the dinosaur and label with descriptive phrases e.g. large bulging eyes
- Write a set of instructions for how to make a bed – Get your children to make their bed!
- Rewrite the story – change what dinosaur ate – be creative as you like
- Design your own dinosaur – be as creative as you like.
- Research your favourite dinosaur and create a fact file.

Topic: Easter

Get prepared for Easter by trying some of the suggested activities below:

- Make you own decorated egg – send photos of your creations to Mrs Shaw
- Create an Easter card for someone at home
- Sing an Easter song – see class story
- Listen to the Easter Story – see class story
- Make Easter nests – using rice crispies and melted chocolate – yum yum!
