

## Class 1

Week Beginning: 18<sup>th</sup> May 2020

### Maths

This week in maths I would like you to follow the white rose maths lessons for Summer Term Week 3 Week Beginning 4<sup>th</sup> May. There is a video which you will need to watch and an activity sheet for each day. I will attach the activity sheets to class dojo and they will be available on the school website. The lessons look at moving onto number bonds to 20, fact families and addition within 20.

Let me know what you think.

Here are some practical activities you could do to support your learning.

Here are some addition games you might like to try.

<https://www.topmarks.co.uk/addition/robot-addition>

<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

<https://www.topmarks.co.uk/number-facts/number-fact-families>

<http://www.ictgames.com/funkyMummy/index.html>

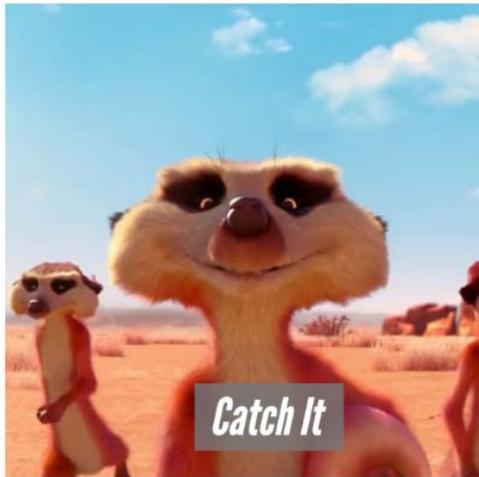

<https://www.arcademics.com/games/alien>

Make sure you click on the option up to 10 or up to 20 on the games as some of them do higher numbers.

English

Watch the video clip called 'Catch It' below.

<https://www.youtube.com/watch?v=c88QE6yGhfM>

Suggested Activities: Try some of the activities below or the workbook I have attached to our class story on class dojo.

- Dig a burrow in your garden
- Play throw and catch like the meerkats in the film (rugby)
- Draw fruit and vegetables you have in the house
- Research where meerkats live
- Count pomegranate seeds (in a picture)
- Make fruit from playdoh/ craft clay
- Collect feathers and make a collage of the vulture

Topic: The North East

This week I would like you do some activities about the North-East of England.

Suggested activities:

- Can you locate the North-East of England on a map of the UK?
- Write a list of as many structures in the North-East you can think of – ask your mums and dads to help you.
- Find out about one familiar structure in the North-East. Draw a picture of this structure and write sentences underneath. Remember your finger spaces, capital letters and full stops and handwriting. Here are some ideas to help.

- Paint a picture of your chosen structure.

- Make a model of your chosen structure.
