

New Reception Parents.

In all my years of teaching I have never had a situation when our new starters haven't spent time with the Early Years Staff before they have started, but one thing we are all good at is being flexible and we will make sure that we take time to settle your children into school making sure they are safe and happy.

Thank you for choosing Bloemfontein school, we pride ourselves on being approachable, friendly and supportive and will do all we can in these strange circumstances to be there for you.

As a mam myself, I remember the tears I shed when I left both of my boys at school, It's such a big step in life, a sign of our babies growing up. Let me reassure you that we will take good care of your children as we learn in a fun interactive way, helping your children to develop skills in all areas of their lives so that they have a strong foundation for the future.

This year the staff that will be looking after your children will be myself as class teacher as well as Mrs Carlin and Miss Brunton. Between us we have many years of working with children, and we are all looking forward to working with you and your children.

Please look at the letters from school, with the different opportunities suggested to meet with you, and hopefully we will see you soon.

Don't hesitate to get in touch if you have any queries.
