

PROCEDURES FOR LOCATING MISSING PUPILS AND THE REMOVAL OF PUPILS FROM ROLL

Rationale

Bloemfontein Primary School is committed to ensuring that:

- all pupils who go missing or who stop attending school and/or move to other areas are located as soon as possible
- we support other schools to locate their own missing pupils should such pupils move to our school.

Procedures to safeguard missing children

Pupils leaving Bloemfontein Primary

1. Should a child leave a Bloemfontein primary school without the school being advised by the parent/carer of the new school the child is to attend, the school should notify our Attendance Officer immediately.

If the child is the subject of a Child Protection Plan, or should the school have particular child safeguarding concerns, we would contact the family's designated social worker and the Safeguarding First Contact Team by telephoning 03000 267979. We would also notify Ian Shanks, Pupil Casework Manager, by telephoning 03000 265908 or by emailing ian.shanks@durham.gov.uk

2. The Academy Attendance Officer will work with the school and make reasonable efforts to try and identify the child's current whereabouts or destination. Appendix 1 provides a checklist of enquiries to locate children who may no longer reside in the area. If the child is located, he/she should remain on the school roll until admission to another school is confirmed, at which time the child's Common Transfer File (CTF) should be forwarded to that school.
3. After four school weeks (20 school days), should efforts to trace the child be unsuccessful, the school should remove the child's name from the roll and create a 'lost' Common Transfer File (CTF) with XXXXXXXX as the destination. This is a statutory requirement (The Education (Pupil Information)(England) Regulations 2000). The CTF should be uploaded onto the DfE s2s secure site where it will be held in the Lost Pupil Database.

4. If the child is not found, the Attendance Officer will forward the completed checklist (Appendix 1) to the CME Officer in the Pupil Casework Office, CAS, County Hall, Durham, DH1 5UJ. If enquiries through national CME contacts are unsuccessful, the child's name will be entered on the CME Register.
5. When removing a child from roll, schools will ensure the correct code and information is entered on the Schools MIS system (See Appendix 2). Where the destination of the child is unknown at the time of leaving but the school receive subsequent information as to the child's whereabouts, the school will update the system with this new information.
6. School will need to liaise with the Attendance Officer and ensure that all children removed from the school roll are done so in accordance with Regulation 8(h)(iii) of the (Pupil Registration Education) Regulations 2006 (see Appendix 3).
7. Should school, which has previously sent a missing child's CTF to the Lost Pupil Database, be subsequently contacted by a school at which the child has registered, then we will ask that the receiving school should request that the school's own local authority downloads the original CTF from the Lost Pupil Database.
8. In the case of pupils who leave Bloemfontein Primary School to go to a base where the destination is known, but the receiving school is unable to accept a CTF (for example, leaving to go to an independent school, a school outside of England or Wales, or to be electively home educated). In this case, once the school has been formally notified by the parent/ carer of their intentions they should remove the pupil's name from the school roll and send the CTF to the s2s database using MMMMMMMM, thereby sending the CTF to the database of pupils who have moved out of the maintained system.

Should a pupil leave school in order to be home educated, on receiving written confirmation of the parents intentions, the school will send a copy of this to the Elective Home Education Officer in the Admissions and Transport Entitlement Team, CAS, County Hall, Durham, DH1 5UJ. The pupil can then be removed from the school roll.

Pupils being admitted to Bloemfontein Primary School

9. Should a child join Bloemfontein Primary School without that school receiving a CTF from the child's previous school, the receiving school should contact the Pupil Casework Office and ask for a search to be made of the Lost Pupil Database for a matching record.

The following information should be provided when making the request:

- Surname
- Forename
- Date of birth
- Gender

It is important to inform the Casework Team if the child's previous school should not be notified of the destination school (e.g. when a family is escaping domestic violence).

Casework team will contact national agencies to track pupil into new provision and/or pass details onto EWS in relevant area when known.
4. Pupil has failed to return from previously authorised extended leave.	Pupil was granted extended leave of absence and has failed to return at the agreed time. No reasonable explanation received.
